

Safeguarding Children

Tiakina ngā tamariki

FREE INTERNET SAFETY WORKSHOP

Nurture, Love and Guardianship: From the Cradle to the Rave

Calling all parents and carers

Internet safety expert **John Parsons** gives **parents/ carers** the tools to support children in how to use technology safely and ethically. Covers:

- * Online sexual predation
- * Traumatic situations involving the family and child
- * Empowering young people on how to repel and report unwanted attention when playing online games or using social media
 - * Future proofing of employment
 - * How to reduce the effects of Cyber Separation
- * Parental modelling and the importance of relational values
- * Screen time, the importance of movement and sleep

Supported By:  **Nelson City Council**
te kaunihera o whakatū
